

MCBC HONORS SPONSORS

Victor Farina, President of Farina & Sons and the MCBC, welcomed everyone to the gathering that also doubled as the General Membership meeting for the month of September.

The Silver and Gold sponsors for the 23rd Annual MCBC Golf Tournament

were honored and presented awards at the Sponsor Appreciation Luncheon held at the prestigious Citrus Club in downtown Orlando. Victor Farina, President of Farina & Sons and the MCBC, welcomed everyone to the gathering that also doubled as the General Membership meeting for the month of September. Kim Goehring, with Goehring & Morgan Construction, led the group in prayer for the luncheon and Derrick Koger, with Derrick Builders emceed for the remainder of the event. Derrick let the sponsors know that as a not for profit

organization, the MCBC depends on funds raised through special events like the golf tournament to help sustain the MCBC and benefit numerous charities throughout the year. Derrick told the sponsors, “Without your support, none of that would be possible.”

We want to take this opportunity to once again salute our many corporate sponsors who make this event possible. They have

all been instrumental in the growth and success of the Master Custom Builder Council. For a complete list of MCBC sponsors or more information on becoming a sponsor, please contact the MCBC office at 407-875-2121 or email to mcbc@custombuilt.com
