

THE MCBC BUILDER

FALL 2016

*"Your home is a major investment – and we work hard to ensure that each client loves their home and is satisfied with our company before, during and after their project is completed."
— Victor Farina*

FARINA
& SONS, INC.

Custom Builders & Remodelers

Since 1950, Farina & Sons, Inc. has earned a reputation for excellence in quality, integrity and service in residential construction throughout Central Florida. It is a reputation that Victor Farina takes great pride in - especially since he learned everything from his father, Mario. The Farina family is passionate about creating beautiful homes that maintain and elevate the neighborhoods where we live.

Victor Farina continues the tradition of superior workmanship, thoughtful design and personalized customer service. Farina & Sons is focused on communication, accountability and completing all projects on time and within budget. Working with a close network of architects and designers, the Farina & Sons team incorporates 21st century technology and amenities while ensuring all renovations and updates

Building in Orlando, Winter Park, Isleworth, Windermere & surrounding areas.

Farina & Sons, Inc. has been selected to build the New American Remodeled Home for the 2018 International Builders Show.

are integrated seamlessly with the existing home. Careful attention is paid to appropriate scale and design so the home is consistent with the surrounding neighborhood.

The company's long-standing reputation for excellence has resulted in continuous referrals and repeat customers – all of whom have enjoyed a rewarding custom home or remodel experience.

Farina & Sons has won numerous local, regional and national awards

for decades. Respected throughout the industry, Victor Farina is an active member and past president of the Master Custom Builder Council, the Greater Orlando Builders Association, and was honored nationally as one of the "Big 50" Remodelers of the Year.
